## Holiday Program

Miss Hannah Hatch, our music teacher, has put together a fantastic program for our kindergarten and first grade students. The program will be on Wednesday, December 19th at the Bloom Carroll Middle School Auditorium.

## Kindergarten

The kindergarten program will begin at 6:10 p.m.. Parents may bring their students to the Middle School cafeteria beginning at 5:50 p.m.. Please take your child's coat with you.

## First Grade

The first grade program will begin at 7:30 p.m.. Parents may bring their students to the Middle School Cafeteria beginning at 7:10 p.m.. Please take your child's coat with you.

*Our staff would like to take this time to wish you and your family a Happy Holiday Season!*

*"What brings joy to the heart is not so much the friend's gift as the friend's love."*

### December Note from the School Nurse

Flu season is upon us, so I just wanted to send a quick note about the difference between the flu and a cold. While both influenza (flu) and colds are respiratory viruses, they present in different ways. The flu has a sudden onset versus a cold which comes on more gradually. Influenza also presents with high fevers, body aches, and headaches whereas with a common cold, you do not have these symptoms. People with colds typically will have a stuffy nose, sore throat, and sneezing and those with influenza will only sometimes have these symptoms.

Our school policy is students must be fever free for 24 hours without the use of any fever reducing medications. The best way to prevent the flu is to have your child immunized. Please do not send your child to school if they have had a fever that morning, even if you have given medications and they are feeling better, they are still going to be contagious. We are trying to prevent the spread of illness here and some children are not able to be vaccinated due to lower immune systems.

Thank you for your help in stopping the spread of these illnesses.
