

Bloom-Carroll Local School District SALES PROJECT POTENTIAL

SALES PROJECT NUMBER: _____

The Sales Project Potential is a form designed to account for the income (actual and projected) from sales projects conducted by student activity programs.

The Purpose is to provide information to sponsors, advisors and administrators of the various projects and whether they are functioning in accordance with adopted board policies.

The Sales Project Number will be supplied by the Treasurer's office. This number **MUST** appear on all requisitions and deposits pertaining to this project.
