

2025 Senior Passport Information

Dear Seniors,

As a graduation requirement, you must complete a “Senior Passport” in order to receive your diploma. This year, the Senior Passport will consist of a single item: a resume. You must submit your resume on this Google Form (<https://forms.gle/a9PDyQr2uHZkJWp18>) by **Wednesday, April 30**.

Do you already have a resume? Great, then just upload it and you’re all set.

Don’t have a resume? You can use the template that was emailed to you to make one or use another design template (Word and Google have a few to choose from). Fill in your details about your employability skills, job experience, education, and activities/interests. Try to emphasize things that will set you apart from the crowd. Keep the resume simple, easy to read, and limited to one page only.

Do you attend the Career Center? You do NOT need to submit a resume as you will complete alternative requirements at the Career Center.

If you have questions, you can ask Mrs. Eggleston or Mr. McNamara.
