### **Credible Instructor.**

Unlike most test preparation providers, our course is taught by a tenured Capital University professor, Dr. Lynn Dailey. Lynn holds the prestigious Moor Endowed Chair for excellence in teaching and scholarship and excels on the ACT test.

### **Unparalleled Course Materials.**

We have spent years researching and developing our course materials. The five subject areas on the ACT test are reviewed. Considerable attention is given to math and English skills. Students will receive a course book along with memorization sheets, worksheets, and a retired ACT test. These materials give examples and explanations with over 1500 drills for students to work. Content can be utilized to excel on the SAT as well.
