## Teacher Requests

*Window opened April 1st*

The placement of students is done for educational reasons. We look at a variety of other factors including: class size, boy/girl ratios, ability levels, the need to separate certain students, social/emotional needs, and students with special education services. We will accept parent request and give them careful consideration. A parent request **will not** guarantee placement with a certain teacher.

Teacher request forms can be found on the Bloom Carroll Web Page. On the left hand side "click on Forms." The required form titled "Teacher Request Form" can be found under the Primary School or the Intermediate School. Parents will print or complete the form online and email it to the building principal. All requests have to be on the approved Teacher Request Form. All requests have to be emailed by the end of the school day, 3:35 p.m., Friday, May 1st.

Please refer to the District Policy: **IH-E**

If you have any questions please contact Mrs. Pease.

## Kindergarten Screening

*Online Registration opens April 6th*

Parents/Guardians will register online through **MyConferenceTime** which will be found on the school website. This is the same online scheduling system used for Parent Teacher Conferences. The screening will take place Monday June 1st, Tuesday, June 2nd, and Wednesday, June 3rd. The screening will be held at the Primary School. Children need be 5 years of age by August 1st. The screening is for Bloom Carroll residents only. We request that siblings do not attend the screening due to the fact that the screening could take up to an hour. This includes a meeting with a kindergarten teacher to go over the results of the screening.

## Leukemia and Lymphoma Society

Through the Read-A-Thon our students raised \$2,347 to help fight blood cancers! A big thank you to Miss Baughman and Mrs. Phillips for their leadership in this drive. A big thank you to our Primary students and parents for your support with this special event.

### Jump Rope For Heart

Bloom-Carroll Primary and Intermediate students participated in our 4th annual Jump Rope for Heart to benefit the American Heart Association! Students participated in special jump rope activities during Physical Education classes that were designed to educate our students about the mission of the American Heart Association, which is, "Building healthier lives, free of cardiovascular diseases & stroke."

**Students were given the opportunity to raise funds for the AHA, and we are extremely proud to report that our schools raised \$\$5,372.63 for the AHA!!! Thanks Mr. Casperson for implementing this event and students for participating!**

Happy Birthday To  
You!
