Bloom-Carroll Local Schools

HOME OF THE BULLDOGS

A MESSAGE FROM OUR SUPERINTENDENT

The Quality Profile provides the District the opportunity to share the amazing happenings that make Bloom-Carroll Schools exceptional. The contents of this Quality Profile go beyond state-mandated assessments used by ODE's State Report Card to measure the quality of a school district.

While our students do comparatively well on state tests, we believe their educational experiences and success should reflect more than a snapshot in time on a standardized test. This publication is designed to provide our community with an inside look at what makes our schools great.

The Bloom-Carroll Local School District is a destination district. We currently serve over 2,300 students with our 240 plus staff members. Providing our students with a well-rounded education is our focus. We accomplish this by teaching an appropriate, transparent, and rigorous curriculum and by providing opportunities in workforce development, the arts, athletics, and through numerous clubs and activities.

Our graduates are prepared for their futures whether that includes enrollment in college, entering the workforce, or enlistment in the Armed Forces. Most importantly, our graduates are prepared to be productive members of society.

Through sound fiscal planning, we have been able to invest in our students, staff, and facilities while maintaining a strong financial position (see Treasurer's report).

We have a historic past and a bright, but challenging future. I look forward to our future with optimism and continuing our efforts to help our students reach their fullest potential.

Sincerely,
Shawn Haughn
Superintendent

OUR VISION STATEMENT

To be the model school district for excellence in student success, opportunities, and safety, exemplified through our commitment to our students' exceptional experiences.

OUR CORE VALUES

Our Students • Their Futures • Our Focus

The Bloom-Carroll Local School District is dedicated to preparing students for life beyond high school, whether it is attending college, gaining employment, entering the military, or becoming an entrepreneur. We want our students to reach their individual potential and discover the joys of lifelong learning.

ABOUT OUR COMMUNITY

The Bloom-Carroll Local School District is located in Fairfield County and covers 54 square miles, encompassing parts of Bloom, Greenfield, Violet, and Liberty Townships, as well as the Villages of Lithopolis and Carroll.

Carroll and Lithopolis are growing communities with small town appeal located between the cities of Lancaster and Columbus, Ohio.

The Bloom-Carroll Local District consists of four buildings:

- **ESC Learning Steps Preschool & Learning Center** (Preschool) in Lithopolis
- **Bloom-Carroll Elementary School** (Grades K-5) in Greenfield Township
- **Bloom-Carroll Middle School** (Grades 6-8) in Carroll
- **Bloom-Carroll High School** (Grades 9-12) in Carroll

HIGH-QUALITY INSTRUCTION

The BCLSD believes our teachers are the greatest resource in the classroom. We promote a culture of continuous improvement that focuses on meeting the needs of all learners and increasing student achievement and growth. We provide ongoing professional development that focuses on maximizing the knowledge and skills of our staff to meet the needs of all learners.

The BC experience provides rigorous learning opportunities designed to prepare our students for career, college, and life beyond high school.

FOSTERING A FORWARD-THINKING LEARNING COMMUNITY

This is achieved through the following strategies:

- Implementing a balanced curriculum fully aligned to Ohio's Learning Standards.
- Incorporating research-based instructional strategies with high probability of enhancing student achievement and growth for all students in all academic areas and grade levels.
- Providing innovative instruction to all students, giving them opportunities to excel at high levels of achievement.
- Utilizing research-based instructional programs to assess and monitor academic, social, and emotional growth.
- Promoting differentiated instruction to all students while incorporating future-ready skills needed for success in this ever-changing world.

INNOVATION & TECHNOLOGY

The BCLSD fosters a collaborative and forward-thinking learning community that actively engages students through instructional strategies that integrate technology, the arts, and enrichment opportunities.

The BCLSD has implemented:

VISUAL & PERFORMING ARTS

Bloom-Carroll has a proud tradition of offering award-winning art and music programs.

A variety of art classes are offered at BCHS, including AP Studio Art, Art Foundations, Ceramics, Digital Art, and more. Students participate in a variety of special events including the annual district art show, the Ohio House of Representatives Art Exhibition, the Ohio Governor's Youth Art Exhibition, and the Congressional Art Show.

Band students have performed at local, state, and national performances and received multiple Superior Ratings at OMEA State Finals and Solo & Ensemble competitions. Several band members have been selected to perform in the Ohio All-State Orchestra & Band as well as the Columbus Youth Jazz Orchestra.

Choir students have excelled over the years in outstanding performances in musicals such as *Beauty and the Beast*, *White Christmas*, *Lion King, JR*, and *The Addams Family*.

Student Activities & Leadership

LEADERS OF TOMORROW

An important part of the Bloom-Carroll educational experience extends beyond the classroom to the many clubs and activities found at all levels throughout the district. Teachers, students, and community members dedicate many afterschool hours involved in clubs and organizations that sharpen leadership skills and fulfill a desire for service.

STUDENT AMBASSADORS

The Student Ambassadors program assists in delivering outreach programs and services at BCHS, helping new students transition to high school, offering peer-mentoring services, and providing leadership opportunities for all students.

FUTURE FARMERS OF AMERICA PROGRAM

BCHS has a nationally recognized award-winning FFA program designed to prepare students for leadership and successful careers in the science, business, and technology fields of agriculture.

BC's FFA activities include attending local, state, and national competitions and events, as well as hosting local activities such as Ag Day and AgVenture Summer Camp for our elementary students.

PAW'S LAWS AT BCES

The PAW'S Laws program at Bloom-Carroll Elementary School fosters foundational values for our students and nurtures the following character building skills:

BE RESPECTFUL
BE RESPONSIBLE

Beyond the Classroom

Student achievement and growth is our primary focus. Students at Bloom-Carroll enjoy a variety of learning experiences beyond the classroom, including:

- **BC Elementary School:** Ecological studies at Alley Park, Ohio University-Lancaster Charlie Brown Musical, 2nd Grade's Famous American Wax Museum, Ag Day, AgVenture Summer Camp, Wagnalls Library, BizTown, and Science Night.
- **BC Middle School:** Washington DC Field Trip, Career Exploration Day, Eastland-Fairfield Career Center visits, Robotics competition, and Invention Convention.
- **BC High School:** FFA State and National Conventions, Science Fair competitions, geological field trips to Hocking Hills, stone lab field trips to Lake Erie, and visits to the Columbus Museum of Art, Ohio State University, and the Columbus Zoo.

WASHINGTON, D.C.- 8TH GRADE FIELD TRIP

Eighth grade students travel to Washington, D.C. each spring to visit our nation's capital.

DELTA H TECHNOLOGIES - CCP PHYSICS

CCP Physics students visited Delta H Technologies, a locally-owned company that designs and builds furnaces and heat-treat materials for aircraft companies around the world.

THE OHIO STATE UNIVERSITY - BC MARCHING BAND

The Bloom-Carroll Marching Band was selected to perform during a football game at The Ohio State University.

HOCKING HILLS - CCP GEOLOGY

CCP Geology students traveled to Hocking Hills to explore the Rock House cave and Conkle's Hollow to learn about the effects of glaciers on the region and how the cliffs and caves of Hocking Hills were formed.

BIZTOWN - FIFTH GRADE

Fifth grade students travel to Columbus each year for the annual BizTown event. This program provides students with experiences to learn how to operate banks, manage restaurants, write checks, and vote for the mayor. It is a great opportunity for students to connect what they are learning in class to the real world.

ALLEY PARK - KINDERGARTEN

Kindergarten students visited Alley Park and attended their program called "Cradles in the Trees." Students learned about birds, explored the nature center, and hiked the local trails at Alley Park.

Community Engagement

The essence of our school district is the interwoven connection between our schools and community. We have a proud tradition of both parent and community engagement.

VETERANS DAY ASSEMBLY

Veterans Day is one of our favorite days of the school year. The Bloom-Carroll Local School District has made it a tradition to take time on November 11th to pay tribute to our military men and women who have sacrificed so much for our freedoms and liberties. Each year we honor our veterans with assemblies, songs, poems, artwork, and letters of gratitude to show appreciation to the brave men and women who have served, and continue to serve, our great nation.

AMERICAN HEART ASSOCIATION

It was a record breaking year for the Jump Rope for Heart campaign at Bloom-Carroll Elementary School! Students, families, and staff members raised \$6,134 during the 2022-2023 school year. In the last 9 years, Bloom-Carroll students have raised \$55,455 for the American Heart Association.

GREENFIELD TOWNSHIP FIRE DEPARTMENT

The Greenfield Township Fire Department provides CPR, AED, and Stop the Bleed training to all freshmen at Bloom-Carroll High School.

FAIRFIELD COUNTY SHERIFF'S DEPT, & CARROLL LIONS CLUB

Sheriff Lape and members of the Carroll Lions Club organize the Liberty Day assembly for all 8th grade students at BCMS.

AMERICAN CANCER SOCIETY

BCMS hosts an annual Relay for Life event for the American Cancer Society. Students raised over \$1,000 during the 2022-2023 school year.

BLOOM-CARROLL FOOD PANTRY MISSION

Students in Mrs. Roshon's Family & Consumer Science classes baked loaves of bread to donate to the local food pantry. This project was inspired by the donation of baking supplies from the King Arthur Baking Company. Students paid it forward by donating baked bread to families in need.

Fiscal Stewardship

We will demonstrate a fiscally conservative approach while maintaining excellence.

A MESSAGE FROM THE TREASURER

Enrollment in the Bloom-Carroll Local School District has increased steadily over the past six school years as shown below. The District constantly monitors the amount of available classroom space as well as staff/student ratios in an effort to accommodate the increasing student population. Adding staff and classroom space while continuing to operate within the financial constraints of the District's budget is often extremely challenging.

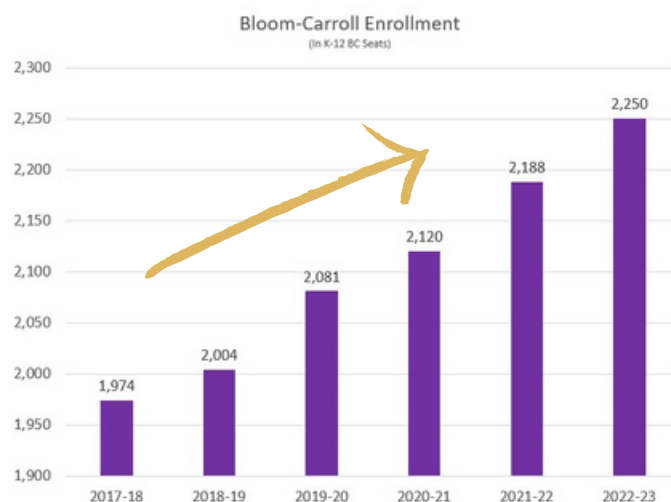

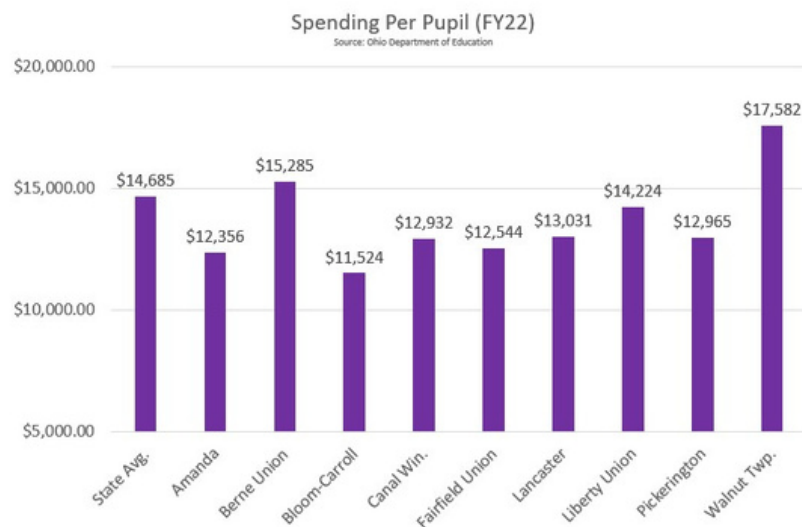

The last operating levy passed by Bloom-Carroll School District was in 2005. This increased the income tax from .75% to 1.25%. Total operating millage on property in the district is 20 mills, which is the lowest rate possible for school districts in Ohio. The District has been able to operate without additional operating levies throughout the past 18 years by maintaining reasonable levels of spending as shown in the spending per pupil graph.

The Board and Administration are currently working to establish a budget for the succeeding school year. The goal of budget development is to enable our students and staff to meet their educational goals, while continuing to operate in a fiscally conservative manner.

We encourage input from the entire community regarding all aspects of our financial and business operations. Thank you for your continued support of the Bloom-Carroll Local School District.

Respectfully,

Travis Bigam, Treasurer/CFO

BOOSTER GROUPS

PTO

The mission of our PTO organizations is to build, strengthen, and enhance the educational and social environments for our students. Sponsored PTO events include Science Night, The G.O.O.D. program, K-5 Football Tailgate, Art & Musical Festivals, and more.

ATHLETIC BOOSTERS

The BC Athletic Boosters enhance opportunities and resources for our student-athletes. Members volunteer their time and resources to improve the quality of our athletic program.

The Athletics Boosters recently raised \$225,000 in donations that was used to replace the athletic press box with a new press box named after Marlo Mills, a beloved community member and former employee.

MUSIC BOOSTERS

The BC Music Boosters helps to enrich our performing arts program and raises funds to purchase equipment, uniforms, music, and make improvements to facilities. New volunteers interested in supporting the music program are always welcome.

The Music Boosters meet the second Tuesday of each month at 6:30pm in the high school media center.
