

## COMMUNITY SERVICE

Community Service is a great opportunity to give back to your community. When you volunteer, have the organizer/contact sign their name, write their email address and the number of hours you served on the log provided. Total the number of hours at the bottom of the sheet. Print off as many sheets as needed. Whether you volunteer 100 hours or 0 hours, a log must be turned in as part of your Senior Passport. See the example at the bottom of this page.

---

**COMMUNITY SERVICE:** The Bloom Carroll School District offers community service education, which acquaints students with the history and importance of volunteer service with a wide range of existing community needs. Community service opportunities are strongly encouraged.
