Tips for calling:

- If your child has harmed themselves, is threatening to harm themselves or others or is showing signs of uncontrolled behavior, state this immediately to the person you get ahold of. These are also indications that you may need to call the police.
- Put your child on the waitlist, it's better to be on multiple waitlists and then have to cancel.
- Call your pediatrician and see if they have any recommendations.
- You can call me at (740) 756-9701 or email me at amanda.jablonski@bloomcarroll.org
