

**ACADEMIC ACCELERATION FOR ADVANCED LEARNERS
REFERRAL FORM - EARLY ENTRANCE**

ABOUT EARLY ENTRANCE

A unique type of whole-grade acceleration is early entrance to school (i.e., kindergarten or first grade). For academically talented young children, early entrance to school may be an excellent option. There is abundant evidence that bright children who are carefully selected for early entrance generally perform very well, both academically and socially.

My child is enthusiastic about going to kindergarten or first grade.

Other considerations:

My child:

- Has one or more older siblings in the grade in which he/she will be placed if admitted by early entrance which may cause social/emotional issues in the family. In which case, acceleration may not be advisable.
- Often did not want to attend preschool or missed preschool often because of illness or family issues.
