Dear Families,

August 2020

Welcome to the 2020-2021 school year! I hope your summer was enjoyable and relaxing. The staff is eager to welcome your children back to school. We strive for a positive learning environment and experiences that have rigor. Our goal is continued success in their educational journey.

Due to COVID 19, there will be many changes regarding our daily operations to ensure the safety of students and staff. Our district website will contain the most updated information.

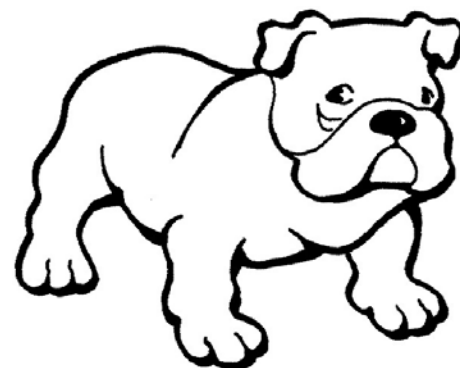

Communication between home and school is vital for ensuring student success. All students at BCIS have agenda books that come home every night. The agenda book will list all homework and notes from the classroom teacher. Please read and sign the agenda book daily.

I am excited for another great school year here at BCIS. Our staff is looking forward to providing great learning experiences for all our students.

Please feel free to contact me with questions, concerns, and accomplishments! We cannot do our job effectively without your partnership. Let us make the 2020-2021 a great school year!

Sincerely,

Steve Rozeski, Principal

BCIS Arrivals and Dismissals

Students being dropped off or walking to school should enter the building at the front door. All visitors to BCIS must enter the building via the door closest to the school office and report to Mrs. Sweigart, secretary. Mrs. Sweigart will have you sign in, and we ask that you wear your visitor badge at all times. Students should not arrive prior to 8:30 in the morning. Any student who leaves school before the designated dismissal time must have permission from the principal. Please keep the following in mind:

- Students arriving after 10:15 will be marked absent ½ day.
- Students signing out before 1:45 will be marked absent ½ day.
- Students signing out after 2:45 will be marked as early dismissal.

Bus Riders and Student Dismissal

All students who ride the bus to school must go home on the bus unless there is a note or phone call to the office. Please call the office prior to 2:30 if you are requesting changes to your child's dismissal. If you are running late to pick up your child, please let us know. We expect all students who ride the bus to follow all bus rules and remain seated while the bus is moving. We take our students' safety serious.

A parent/guardian must come to the school office to sign the student out before the office releases the student to their parent/guardian during the school day. When school dismisses at the end of the day, we will release the students to their parents outside via car pick-up or walker pick-up. If the office does not receive a note prior to dismissal, the parent/guardian will need to go to the office to pick up his/her child. We will ask for a valid ID when you are picking up your child. This is for the protection and safety of all students.
