PERSONNEL/BENEFITS INFORMATION  
FOR CONTRACTED EMPLOYEES ONLY**

**The information in this section pertains to all contracted staff (part time and full time):**

### Pay Dates

All employees in the district are paid semi-monthly, 24 pays per fiscal year. Pay dates typically fall on the 8<sup>th</sup> and 23<sup>rd</sup> of each month. If one of these dates falls on a weekend, the pay date will be on the Friday immediately preceding the scheduled pay date. You can view the complete pay schedule on the Bloom-Carroll website under Forms/Payroll and Employee Benefit Notices/Forms.

Salaries for the certified staff are listed in the current Negotiated Agreement. You may obtain a copy of the agreement from the Bloom-Carroll Education Association representative in your building or by asking for a copy in the Superintendent's office. All contract amounts are divided and paid over 24 pays. Supplemental contracts for coaching/advising positions are paid at the end of the season, though there are some academic oriented supplemental contracts that are divided over 24 pays.

Classified staff salaries are paid on an hourly pay scale based on position and years of experience. Most of our classified positions are based on the school year. The total pay is calculated by the number of hours worked per day multiplied by the hourly rate and multiplied again by the number of days on the calendar for that position. That amount becomes the total salary for the fiscal year which is divided over 24 pay periods. For 9-month staff, the first pay of the fiscal year is in September. For 10-month staff, the first pay of the fiscal year is in August and for 12 month/260-day staff, the first pay of the fiscal year is in July.

### Leaves and Absences

Sick leave for all contracted employees is accrued at 1.25 days per month for a total of 15 days per fiscal year. The sick leave balance continues to accrue as long as you are actively employed with Bloom-Carroll, to a maximum allowed by the Board. If you are coming from another Ohio public employer, be sure to request that your former employer transfer your sick leave balance to Bloom-Carroll. Personal leave of three days per fiscal year is granted to all full-time employees and is prorated if you are hired mid-year. You will have the option of converting your balance to sick leave or being paid a specific amount for any personal leave that you do not use at the end of the school year. If you do not use any personal leave and you still have a 3-day balance, you may retain 2 of those days for the next fiscal year to have a balance of 5 personal days. The maximum personal leave available at any time is 5 days.

Absences are entered through a web-based system called **AESOP**, or Automated Substitute Placement and Absence Management. You will receive an email from Frontline to set up your Aesop account. Please follow the instructions in the email to obtain a username and password. **All** absences; sick, personal, vacation and professional leave, are entered through this program. If your position requires a substitute to work in your place, the absence will be available for substitutes to see and request to be assigned to the position.
