Dear Families,

Parent-teacher conferences are taking place this month. Be sure to sign-up with your child's teacher.

I would like to wish all of our families a Happy Thanksgiving. Enjoy your Thanksgiving break with family and friends. There will be no school November 27, 2019 through November 29, 2019. School resumes for students on Monday, December 2, 2019.

Sincerely,

Steve Rozeski, Principal

Lost and Found

There are many items in our lost and found. Please remind your child to check our lost and found if your child is missing any items. After Tuesday, November 26, 2019, we will donate any remaining items.

Secret Santa

Our PTO will be hosting our annual Secret Santa sale from December 2, 2019-December 10, 2019. All students will have the opportunity to shop during their gym classes.

Outside Recess

With colder weather arriving, we will have recess outside unless the temperature and/or wind chill is below 25 degrees. It is important that your children are dressed appropriately for the weather conditions (hats, gloves, and boots).

Water Bottles

Students at BCIS are encouraged to bring a water bottle to school. It is important that your child drink plenty of water every day.

Letter from the Nurse

Fall is upon us and with this season comes coughs, runny noses, fevers, etc. I wanted to make sure to go over the school policy when it comes to illnesses. Students should remain home if they have experienced in the last 24 hours: diarrhea, fever >100.0, vomiting. Children should remain free of fever for 24 hours without fever reducing medications before returning to school. If a child is placed on antibiotic therapy by their medical provider, they need to have had a full 24 hours of medication prior to returning to school.

According to the Centers for Disease Control and Prevention (2018), there are ways to help prevent and/or reduce chances of illness, such as, Flu vaccine, hand washing, and remaining home when you are ill as to prevent spreading illness to others.

Flu symptoms: "fever* or feeling feverish/chills, cough, sore throat, runny or stuffy nose, muscle or body aches, headaches, fatigue (tiredness), some people may have vomiting and diarrhea, though this is more common in children than adults. *It's important to note that not everyone with flu will have a fever." (CDC, 2018).

We appreciate your continued efforts in making this season as healthy as possible for our students and staff. Thank you.

PTO Money Machine

The following students were given the opportunity to stand in the money machine for selling the most mumkins for our PTO Mumkin sale. Congratulations!

Jacob Oyler	Carter Berta	

Recycling Stars

Thank you to the following students for bringing in "pop tabs" to help Shriners Hospital and The Ronald McDonald House. We are continuing to collect pop tabs throughout the school year. Please send them to school with your child. The pop tabs should be sent in a plastic baggie with your child's name and teacher's name. If you have any questions, please contact Mrs. Mann at wanda.mann@bloomcarroll.org.
