Questions

1. How do I register my child for this trip?

- You can register online at <https://tri.ps/NWFU> by clicking on the menu and selecting Make a Payment and complete the information. Further information can be found on the last page of this packet.

2. What does the cost include?

The trip cost includes everything except the first meal on the way (probably at a fast food restaurant) and souvenirs. On the way home students will receive \$10 to eat at a food court or travel mall. This will be close to the amount needed to get a typical meal at these restaurants, so students might want a little extra just in case. I would think that \$20 or so would cover it. Breakfast will be all you can eat at the hotel all three mornings.

What are some of the activities included in the trip?

You will find the 2023 trip itinerary attached to this handout. This itinerary is subject to change.

3. Supervision?

Mr. Creviston and Mr. Young will be chaperoning, along with additional staff members to be determined at a later time. We will also have at least one Trip Advisor from Martin School Travel to help with tickets and logistics as needed, who will travel with us. Also, a Licensed Washington D.C. tour guide will be provided where appropriate to provide information about tour stops. A security guard will be present on the hotel floor from 10:00 pm until 6:00 am both nights.

4. Please contact me if your child has food allergies so we create a plan.

5. Below are important points specifically regarding Covid-19

- **It is a possibility that you may lose some or all money if Covid 19 requirements change. Please read all contracts carefully, including the trip protection plan.**
- **If a student tests positive for Covid 19 during the trip a parent may be required to pick up their child. The hotel would allow us to use a spare room for quarantine and a chaperone would stay to check on the student without contact.**
- **As of now, it would be requested that close contacts wear masks.**
- Once again, we will follow all Covid 19 policies for Bloom-Carroll Local School District, Martin School Travel and any local or state governments under whose jurisdiction we are under at that time.**

6. If I have questions, who do I contact?

Please contact Mr. Creviston by email. His e-mail is randy.creviston@gmail.org If you are unable to e-mail him you can call the main office at 740-756-9231 and leave a message.
