

# Bloom-Carroll Local School District School Closings and Delay Information

In the event of inclement weather or some other event that results in a school closure, or delay, Bloom-Carroll Local School District will notify parents using the following methods:

## Phone, SMS, email

Parents will be notified using one or more of these methods. Parents who have opted out of SMS will not receive a text message but will receive a phone call and email. It is important that all contact information be current in Final Forms. Please log into your account and verify that all information is correct.
