Dear BCHS Students and Families,

Welcome Back! We are excited for the upcoming school year to engage with our students and families in the Bloom-Carroll High School experience. This promises to be a year filled with tremendous opportunities for all of our students!

We embark on this journey together a year of engaging, meaningful and rigorous work in our classrooms, combined with special events and various extracurricular clubs and activities, performing arts groups, and athletic teams certain to encourage our students to be involved and stay connected!

As always, we would like to extend a special, yearlong invitation to our families to join us at school activities and events whenever possible. We value your involvement and support. Your active participation is key to the success of your student during his/her school years. All of our BCHS students and families, grade 9-12, are invited to our **Back to School Bulldog Kick Off/Open House** on Monday, August 23, from 5:30 - 7:00. Join us for a Meet and Greet with teachers and friends, Music, Free Food & Drinks, Student Schedule Pick up, Tours of the Building, Kona Ice, and much more as we celebrate the start to the new school year-see attached flyer.

The outstanding staff at BCHS is dedicated to preparing our students for life beyond High School and being College and/or Career ready. For the fourth year in a row, BCHS has been recognized as one of the **Nation's and Ohio's best high schools awarded by U.S. News & World Report for 2021**. This is based on our state assessments, graduation rates and college-readiness index results. Congratulations to our BC students and all of those involved in the lives of those students.

We want to thank our maintenance staff for providing the students, staff and the community with a clean learning environment. With a continued focus on safe and healthy learning environments, we will again be asking everyone to vigilantly assess students for symptoms on a daily basis and practice effective personal hygiene to prevent the spread of disease. **The use of facial coverings will be optional for all students, staff, and visitors for the 2021-2022 school year.**

On behalf of our staff, we want to thank you for your commitment to student success and invite you to our many BCHS events throughout the 2021--2022 school year. In order to achieve our shared goals, we have included several ways that family members of our school community can stay connected and work together with BCHS staff. We look forward to a very positive and productive year together and encourage you to contact us if or when the need arises.

4. BCHS students grades 9-12 will be issued a **Chromebook** for educational purposes for use in the classroom and at home. The Chromebooks will be treated like a textbook, and **all** students will be issued a device at the start of the '21-'22 school year. BCHS is excited about this **1:1 program** and the endless possibilities of teaching and learning in a connected world. We are thrilled to be able to provide this level of access in order to reliably integrate technology tools to facilitate quality learning experiences, allowing us to help engage students in critical thinking, communication, collaboration, and creativity.

You can read the FAQ's and find information regarding the 1:1 program by visiting: <https://www.bloom-carroll.k12.oh.us/One-to-OneProgram.aspx>.

5. **Student grades** can be accessed by logging into **Progress Book**: <https://pa.metasolutions.net>. This is a valuable educational tool that helps increase communication between school and home.
